

2020 Community Impact Report

Supporting cancer fighting kids in our community

These are just some of the ways that you helped us to bring joy to local kids and families who are living with a pediatric cancer diagnosis.

Pandemic Hug Delivery!

Delivering *Hugs* directly to families is normally one of our favorite things to do! This year however, due to the pandemic, we instead worked with the staff at the Mary Bridge Hem/Onc clinic to get many *Hugs* to the kids! We would meet outside and hand the treats off to one of our clinic friends. They then provided photos of the delivery so we could feel a part of it and share with you. We are grateful for their help and know they enjoyed it too!

Teen Room and Clinic

As part of our support of the kids and families at the Mary Bridge Hem/Onc clinic and hospital we give new movies and games to the clinic to provide welcome distractions during doctor appointments and procedures. With help from our supporters we also provide gift cards for the Treasure Chest that holds rewards for the kids when they reach treatment milestones. Finally, we keep the bookshelf in the Teen Room at the hospital stocked with great books that the kids can take when they are in the hospital.

Research

As part of our work, we are committed to supporting the important and cutting edge immunotherapy research and other patient care work that is underway at Seattle Children's Hospital and the Ben Towne Center for Childhood Cancer Research in Seattle. In 2020, we provided donations totaling \$35,000 to this amazing research and the associated work. Whenever possible, we time our research donations such that additional matching funds are also directed to our selected cause. We know that the hope this research provides to families is incredibly meaningful.

Hematology-Oncology Drive Through Christmas Party!

We also love supporting the Mary Bridge Hem/Onc Clinic Christmas Party! This year's event was modified to a safe, drive-through event outside the clinic. Despite the wind and rain, the kids were cozy in their cars and went home with yummy cookies, lots of fun crafts kits, prizes, a wave from Santa, and of course, their cuddly stuffed buddies! We loved seeing the happy families and everyone left with warm hearts.

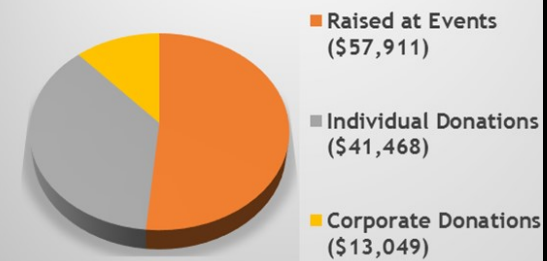

Rachel's Got Your Back

As part of our Rachel's Hugs program, we provide backpacks to the Mary Bridge Hem/Onc Clinic for kids that are newly diagnosed with cancer. The backpacks are filled with comfort items, fun distractions, and other things that we know from Rachel's experience that the kids might need or enjoy. In December 2020, we created an Amazon wishlist allowing people to support this program with their holiday and year-end gift giving!

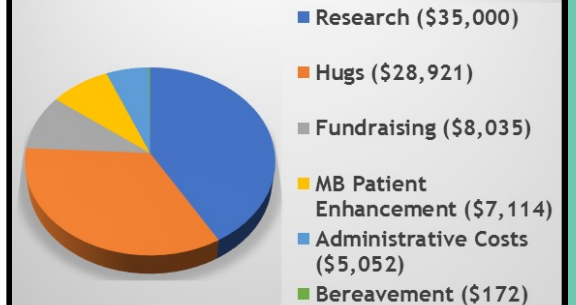

Funding Research | Enriching Lives | Spreading Joy

2020 Income (\$112,428 Total)

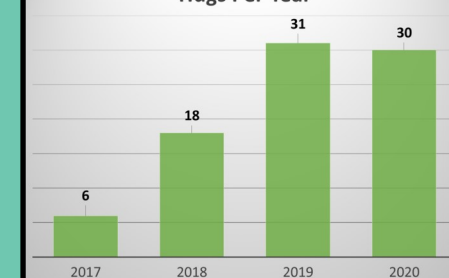

2020 Mission Fulfillment and Expenses (\$84,294 Total)

Income Per Year

Hugs Per Year

Thank You

Thank you to all of our donors, those who volunteered or attended our events, and those that follow our work. Together we are making a difference for these families in our community.

For more information visit www.rachellynnhenleyfoundation.org or follow us on Facebook, Instagram and Twitter.

Did you know that your company might have a match program available?

We are honored to have several donors who participate in a match program through their employer (Combined Fund Drive, Boeing, Microsoft, Weyerhaeuser, Macys, Nike, etc.)

Check with your employer to see if you have a match program!

How Can You Help?

- Event sponsorship
- Business/group donations (i.e. financial or shopping from a wish list for books, dvds, backpack supplies, etc.)
- Attend or volunteer at one of our events
- Let us know about grant opportunities
- Donate items to the auction
- Tell a friend about us/share our emails and social media posts
