

2025 Community Impact Report

Supporting cancer fighting kids in our community

These are just some of the ways that you helped us to bring joy and hope to local kids and families who are living with a pediatric cancer diagnosis.

Bringing the Fun!

Bringing smiles, joy, and moments of fun to children and families facing pediatric cancer is at the heart of what we do. In the following pages, you can learn more about our Rachel's Hugs program and see some of the smiles we helped create throughout 2025.

In addition to our ongoing programs, we are proud to partner each year with the incredible staff at Mary Bridge Children's Hospital to host special events for cancer-fighting families, including the Water Blaster Party each August and the Christmas Party each December. We love collaborating with caregivers to plan these meaningful celebrations and bring a little extra joy to families during difficult times. There is perhaps no better joy for these pediatric cancer fighters than dunking their doctors in the dunk tank at the Water Blaster Party and creating crafts, getting a buddy, and doing activities together at the Christmas celebration.

This year also marked an important milestone for our organization. In 2025, we made our third payment toward our five-year, \$200,000 commitment to help create a healing play space in the new Stricherz and Herchold Family Playroom on the oncology floor at Mary Bridge Children's Hospital, which is now officially open and helping families across the Puget Sound. We are deeply humbled to support this project and incredibly grateful for the generosity and trust of our community, whose support makes this work possible.

i didn't
fight
cancer,
we did.

Funding Research

We remain committed to making direct donations to key pediatric cancer research initiatives that bring hope and healing to children and families facing cancer. In addition, we are proud to support Mary Bridge Children's Hospital's clinical trials program, helping provide patients with access to more treatment options closer to home. In 2025, we donated \$42,000 toward this life-saving work. We know the hope offered through research and clinical trials is incredibly meaningful to the families we serve.

Fulfilling Other Clinic and Hospital Needs

From fun Band-Aids for oncology clinics to mini refrigerators for the Mary Bridge Children's Hospital patient rooms, we provide a variety of items that help create a more comfortable and uplifting experience for pediatric cancer fighters and their families.

Thanks to your support, we have been able to provide books, thermometers for families to take home, play mats, toys, gift cards, highchairs, playpens, TVs and Xboxes, wagons, festive window clings, and so much more. These thoughtful touches may seem small, but they can make a meaningful difference in the daily lives of young patients and their families.

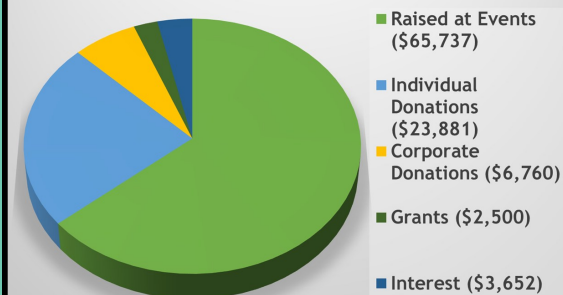

Community Support

We are incredibly thankful for the support of our amazing community. In addition to the generous contributions of individual donors, several local businesses hosted fundraisers, collected donations, or provided product discounts to help support our work. We extend our heartfelt thanks to Boggs Inspection, Casa Mia of Lakewood, Harkness Furniture, Katelyn Kristine Photography, and Sequoyah Electric for their efforts and generosity.

2025 Income (\$102,917 Total)

Keep the dream alive

2025 Mission Fulfillment and Expenses (\$133,068 Total)

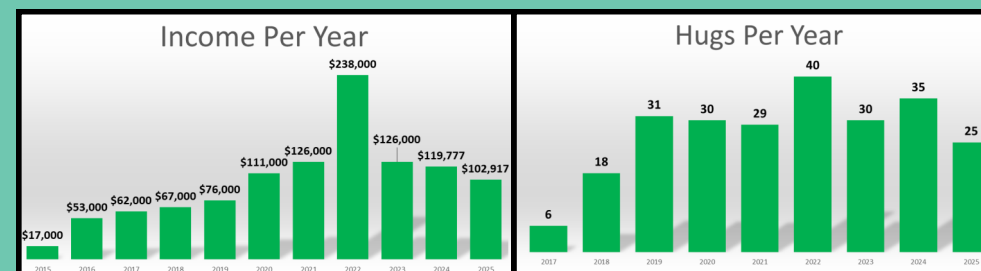

Did you know that your company might have a donation match program available?

We are honored to have several donors who participate in a donation program (Combined Fund Drive) or donation + match program through their employer (Boeing, Microsoft, Weyerhaeuser, Google, Nike, and others).

Check with your employer to see if you have a match program!

Spread Love wherever you go.

Thank You

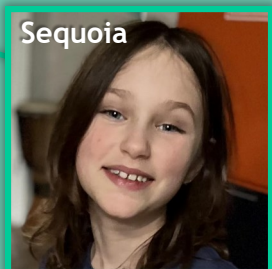

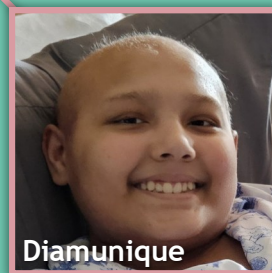

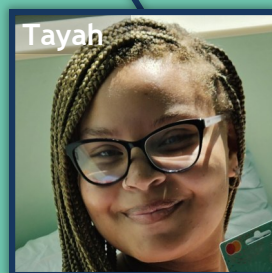

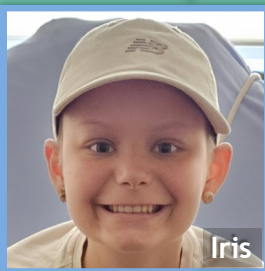

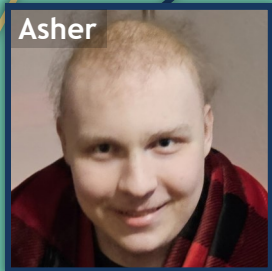

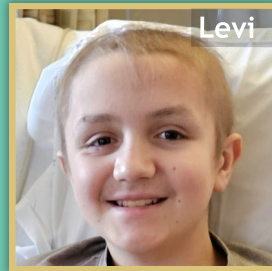

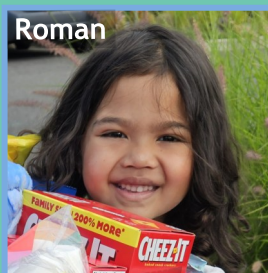

Thank you to all of our donors, volunteers, event participants, and those that follow our work. Together we are making a difference for these families, and letting them know they have the support of their community.

For more information visit www.rachellynnhenleyfoundation.org or follow us on Facebook and Instagram.

How Can You Help Us Help More Kids?

- Event sponsorship
- Business/group donations (i.e. financial or shopping from a wish list for books, gift cards, backpack supplies, and more).
- Attend or volunteer at one of our events
- Let us know about grant opportunities
- Donate items to our April auction or June Garage Sale
- Tell a friend about us/share our emails and social media posts

These are just some of the many smiles you helped create in 2025*

Through the Rachel's Hugs program, we work to fulfill special life brightening requests that will bring joy to local pediatric cancer fighters and perhaps help them explore their hobbies and future aspirations. We are honored to have the opportunity to bring happiness, provide comfort and to give these wonderful young people the tools they need to develop their passions and bring them a smile.

* Some families opt to not share their names, stories or photographs for privacy reasons.

How Does it Work?

- Caregivers at Mary Bridge Children's Hospital and Madigan Army Medical Center pediatric oncology clinics work to find potential applicants who are currently being treated for cancer.
- Once we approve the applications we contact the families and determine the best way to move forward.
- As soon as we are ready, we schedule delivery.
- Whether it is purchasing a computer or iPhone, or furnishing a bedroom or game room, we love doing the work ourselves and spending time with each family.
- The budget for each Hug is approximately \$1000.
